The Grace Tradition

The Salvation Army has been involved in long-term care in Canada since 1926. Our tradition of service in Ottawa dates back even further. The Salvation Army has been providing healthcare to the people of Ottawa since 1904 when the first home for unwed mothers was opened on Daly Avenue.

In 1922 the Grace Hospital was built on Wellington Street. When the hospital closed, the Grace Manor was built on the site and opened in September of 2002.

The Grace Tradition Continues

Many people in Ottawa remember with great affection the Grace Hospital where they or their children were born. Now some of those with fond memories of the hospital have returned as residents of Grace Manor to find the same welcome and commitment to care as they did so many years ago.

Welcome Home

Since we opened in 2002, Grace Manor has welcomed and cared for hundreds of individuals no longer able to manage the tasks of daily living. Our residents and their families know they can rely on the quality care we provide and they can expect to be treated with the utmost respect and compassion. Our staff and volunteers are dedicated to supporting residents in achieving their full potential for independent living and enjoyment of life.

Graceful Living

Grace Manor is noted for meeting the complex care needs of residents with quality and compassion but also for our its home-like atmosphere. The bright and inviting features include private spaces where residents can reflect their own personalities and backgrounds. Comfortable common areas are available where they can gather in community.

Our Vision

Our vision is to become the best long term care home in Ontario. To achieve this, we are committed to improving the quality of care we provide to further enable graceful living. The challenge is to increase our capacity to maintain and improve the features and appearance of the Grace as it ages.

We need your support

As our community continues to change and grow older, the exceptional care offered by the Grace Manor will be needed more than ever. As a member of the caring community, you have an opportunity to help us achieve our vision. Please consider a gift to the The Salvation Army Ottawa Grace Manor and help us continue the Grace legacy in Ottawa.

Key Areas of Need

After 15 years of operation, many aspects of Grace Manor are showing the need for modernization to improve both safety and functionality. Your gifts will be directed towards replacing beds, new lifts for transferring residents with limited mobility, and new furniture for our lovely garden, as well as refurbishment of hallways and dining rooms.

Thank you for your financial support. Your charitable gift will help us achieve our vision.

Planned Gifts - Leaving a Legacy

Planned Gifts are generally funded from a donor's assets rather than current income. The easiest and most common form of planned gift is a bequest made through a Will. The donor's estate receives major tax benefits from a charitable bequest.

The exact wording of a bequest is very important. Please contact Karen Flynn, Planned Giving Representative at (613) 233-8428 ext. 225 for bequest wording or more information on other types of planned gifts.
